

Aloha pumehana!

Our founder King Lunalilo created our organization to provide shelter and care to Native Hawaiians in need, giving preference to kūpuna. In 1883, we started Lunalilo Home, making us the oldest nursing home in the state of Hawaiʻi.

The Lunalilo Home CNA Earn & Learn Program is designed to help you take your first step into a long-term care (LTC) career. LTC CNAs help people with their activities of daily living (ADLs), from walking and eating, to bathing and toileting, to dressing and grooming. Many kūpuna rely on CNAs to get ready in the morning and participate in life's activities throughout the day. And our starting pay for CNAs is \$22.49 per hour.

Our program is different from other CNA training programs in several ways:

- A. We focus on the key skills for success in LTC, which is different from acute care.
- B. As a Hawaiian organization, we integrate Hawaiian culture into our training.
- C. In addition to an hourly wage during training, we offer a stipend and mentoring to help you succeed in our training program.

To participate in this program, you will need to meet the following requirements by the start date of the program (July 7, 2025):

- 1. Be 18 years of age or older;
- 2. Be legally authorized to work in the United States; and
- 3. Have a high school diploma with minimum 2.0 GPA (GED will be considered on a case-by-case basis).

If you apply, we will interview you and talk to 2 references to get to know you better. We will also ask for school/GED transcripts and proof of age and authorization to work. When you complete the program and pass the CNA exam, you will have a job at Lunalilo Home. We only ask that you commit to working for us for 1 year.

We have limited spots, so we encourage you to apply early. The deadline for priority consideration is May 30, 2025.

Please do not hesitate to contact us if you have any questions. You can email us at info@lunalilo.org or call us at (808) 395-1000 ext. 239. Mahalo piha!
